

## WARRANTY

1. We warrant that all materials intended for food contact are manufactured under the requirements of the BRC/loP Global Standard for companies manufacturing and supplying food packaging and also that we comply with the following directives.

**Irish Flexible Packaging Ltd** recognises it's duty under EC regulations 1935/2004 & 2011/10 to provide a safe and legal product. It is the company's policy to exercise Due Diligence as suppliers of packaging materials for the food industry and to take all reasonable care to potential problems and / or risks, such as the sources of foreign bodies, contamination or taint.

2. Warranties are held from our base suppliers and annual checks confirm that this remains so. Migration statements are also obtained for all substrates to ensure that these meet current laws.
3. Warranties are held from haulier's to ensure that nothing will be carried with our products that may taint or otherwise jeopardise the finished product.
4. We undertake to carry out, in relation to the packaging supplied by us such checks as a diligent supplier would reasonably carry out in order to ensure compliance. We agree to supply you, on demand, with the results of such checks in so far as they are relevant.
