Company Environmental Policy Statement

Irsih Flexible Packaging Ltd is committed to supplying products that meet or exceed the expectations of its customers and to conducting its activities in an environmentally friendly and responsible manner. This will be achieved through:

- Managing the impact on the environment in a pro-active way through waste prevention and minimisation, re-use, recycling, and ultimately safe disposal.
- Conserving energy and natural resources in the company's operations as an integral part of this Environmental Policy.
- Adopting appropriate measures to manage environmental risks, including emergency response plans.
- Complying with all applicable environmental legislation and regulations and with accepted codes of good environmental practice.
- Taking account of the environment at all stages, including product development, raw material procurement, manufacturing and distribution operations.
- Striving to continuously improve environmental performance in all aspects of the business.
- Setting & reviewing specific environmental objectives and targets based on this policy including targets relating to the conservation of energy and material resources, waste management and water management.
- Putting in place the necessary structures and resources, including training and awareness programmes, to underpin this policy.
